PRESS RELEASE

NeGD Organizes Specialized Training Programme on Managing Contracts and Procurement (MCP) at Netaji Subhash Administrative Training Institute (NSATI), Kolkata, West Bengal from November 28 – 29, 2024

As part of its ongoing commitment to the Digital India Vision, the Ministry of Electronics and Information Technology (MeitY) has launched the third phase of its capacity-building initiative. This initiative focuses on critical areas such as Digital Public Infrastructure, Contract and Procurement Management, the Application of AI & ML, Managing Large Digital Transformation Projects, Digital Governance, and Data Management. To enhance the capabilities of officials at both Central and State levels, a series of specialized training programmes are being conducted across the country.

The **third** regional programme of this series focusing on '**Managing Contracts and Procurement**', was inaugurated by **Dr. Vishnwanath, IAS, OSD, NSATI** on November 28, 2024 at **Netaji Subhash Administrative Training Institute (NSATI), Kolkata, West Bengal**. This initiative, spearheaded by the National e-Governance Division (NeGD) of MeitY, is in partnership with the National Institute for Smart Government (NISG) as the training partner. The programme commenced with 30 participants from Central Line Ministries and State departments from the eastern region of the country.

NeGD, under MeitY, is at the forefront in designing and implementing various capacity building programmes under Capacity Building Phase-3. This training programme on Managing Contracts and Procurement is designed to offer a unique and immersive learning experience for the participating officers. By integrating theoretical concepts with practical case studies and engaging with industry experts, the programme equips participants with the knowledge and skills necessary to effectively tackle and solve challenges related to execution of contracts and procurement within their respective departments.
