

Episode 7 of NeGD's Ask Our Experts LIVE Series spotlights Cybersecurity

- 'Ask Our Experts'- a live program presented by NeGD, MeitY focuses on Digital India initiatives
- The weekly show is broadcasted every Friday at 1 PM on Digital India's YouTube channel

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology hosted the seventh episode of 'Ask Our Experts' on the topic 'Cyber Security' on December 20, 2024.

'Ask Our Experts' is a unique weekly program broadcasted live on Digital India's YouTube channel. The aim of this talks show is to engage experts in an interactive discussion on various Digital India initiatives and projects.

This program gives citizens the chance to ask questions directly to the officials involved in these citizen-centric projects and get all their queries answered. Viewers with the most unique and relevant questions also get the opportunity to win exciting gift hampers.

The 7th episode highlighted the different types of cyber crimes that are posing a challenge to cyber safety and online activities of citizens. The experts, led by Joint Commissioner of Delhi Police, Shri Rajneesh Gupta, made the viewers aware of various 'cyber safe' practices and tips to keep in mind for better cyber hygiene including the need to 'pause and think' before clicking on any link or scanning a QR code.

The dangers of sharing OTPs, not believing all that we see on internet as a 'source of truth' and ways to not fall for malicious invites and overly lucrative SMS offers were amplified by Shri Nishant Kumar, Director, I4C, Ministry of Home Affairs and Shri Gaurav Gupta, Scientist F, MeitY.

Four 'Digital India Question Ninjas' were announced in this episode who will be awarded.
